Christ-centered education makes a difference!

Dear Parents and Friends,

SCHOOL NEWSLETTER
November 22, 2018

Old Man Winter is back, and that means having appropriate clothing [coats, gloves, toque or scarf] is essential. If not worn, these items need to be in the student's backpack. Students need to have a pair of gym shoes as well as a pair of outdoor shoes/boots. A gentle reminder for our students is they must wear shoes with non-marking soles in the gym, and must wear shoes while in the hallways and classrooms.

As discussed at the last Society Board Meeting, buses will not operate if the temperature is - 35 Celsius or colder, and if temperature and wind chill is - 40 Celsius or colder. If none of the busses run, there will be no classes. Drivers will initiate their route phone fan-out, and school administration will contact the Kingman village families who do not use buses to let them know school is closed. Individual bus drivers will continue to make the choice to operate their route depending on weather and road conditions

Students appreciated the many parents and grandparents who attended the November 8 Remembrance Day Service at the school. Thank you, Mrs. Lee and Miss Stewart, for organizing the program.

Thank you, Mr. Bowick, for coordinating with the Kingman Recreation Association so senior high students could help make lefse for the upcoming "Lutefisk Supper."

Thank you, Librarians, for organizing the November 13 and 14 Book Fair. The Book Fair raised almost \$400 to purchase library materials. Thank you, parents, for your generous support.

We look forward to seeing you at Saturday's Fall Dinner and Auction on Saturday, November 24. This event is very important for meeting our fundraising goals. Please contact Kayleen Yuha at 780 7678 4871 if you have items to contribute to the auction.

Please use this link to our school's Google Calendar, which will be updated live regularly. You can also access this calendar on your cell phones by following this link:

Many families are making use of "Remind" to receive messages from school. If you wish to be subscribed to this service, please go to <https://www.remind.com/join/cca4u> or text @cca4u to the number (587) 409-2956 or go to [rmd.at/cca4u](https://www.remind.com/join/cca4u) on your mobile device and you'll be prompted to download the app. Many teachers are using this for their classes too; notes have gone home with those codes. If you haven't received one and want to be part of Remind, email the teacher to find out if the teacher uses it for his/her classes and ask what the code is.

We continue to uplift two members of our Cornerstone school community in prayer: young Canaan Lauber, who is facing significant health issues, and Norm Ronsberg, who is recovering from a heart condition.

May the peace of God, which passes all understanding, be with you and yours.

Sincerely, Alan Welde

Parent Volunteers

Thank you to our parent volunteers who have given of their time and resources to support our students. This last week we received two microwaves to help students heat their meals at lunch time.

If you are able, some assistance in repairing the floor hockey nets (string and screws needed) would be greatly appreciated. The secondary students use these nets on a daily basis and the nets need some attention...

The Athletics Department would like to know if anyone has wood to make a Wilson ball game area for students. Please let Mrs. Pouliot know if you are able to provide materials or help build the game area.

The next units in Secondary gym are "Dance" and "Basketball." Please let Mrs. Pouliot know by note or email [jpouliot@cornerstonekingman.ca] if you have [or

someone you know has] training in different fields of dance [square dancing, hip hop, and line dancing].

We would also appreciate a gift of gently-used graphing calculators. If senior high Math students forget their calculators at home, they would still be able to continue their lesson if we had extra graphing calculators at school.

Basketball

Our Junior High Girls' program will be coached by parent Jon Kauffman, and our Junior High Boys' program will be coached by Mr. Ryan Falk. Thank you, gentlemen! Practices will typically be held Monday's after school from 4:00 – 5:30 PM with games being played on Wednesday nights typically, starting at 5:00 PM and being done at approximately 6:00 PM.

Please contact Jon Kauffman if you have any questions at his cell [780-720-4878] or by email kauffman.jon@gmail.com.
