

Cornerstone Christian Academy

Christ-centered education makes a difference!

Dear Parents, January 30, 2019

Term Two Report Cards will be given to students on Thursday. Please contact the school if you would like to arrange a meeting with your child's teacher/teachers. The next scheduled interview will be held after the Term Three Report Cards, but we would like to address questions or concerns you might have.

A reminder, please, that the team fees of \$150 per player for Junior High Basketball are due. This money pays referee expenses. Tournament fees are not included in this amount. Thank you!

MiniDunker Basketball practices are held Monday at noon and Thursday after school from 4:00 PM until 5:00 PM. Locations for the February 5 and February 16 games are to be decided. Thank you, Assistant Coach Jonah Pouliot and Coaches Mr. Kenyon, Mrs. Kenyon, and Mr. Bowick.

Blessings – Alan Welde

ACCOUNTABILITY PILLAR SURVEYS

As an annual check-up on the education system, the Accountability Pillar provides an opportunity for

Alberta Education and school authorities to ensure that we are equipping students for success.

The Accountability Pillar uses a set of 16 indicators consisting of surveys of students, parents and teachers on various aspects of quality; student outcomes such as dropout and high school completion rates; and provincial assessments of student learning.

From January to the end of February, Alberta Education will be conducting the annual Accountability Pillar Survey. In January, parents of students in grades 4 – 12 will receive a survey from Alberta Education. In February, students in grades 4 - 12 and all teachers will be completing their surveys online at school. All surveys are anonymous and ask questions about experiences with the school.

Your participation in the survey helps provide important information on the quality of education your child is receiving, so we encourage you to return your survey promptly. Few responses to the Accountability Survey were submitted last year, largely due to the uncertainty of CCA's future.

I would encourage you to complete the 2018/2019 survey forms to help us develop the best possible program for your children. Your involvement is greatly appreciated.

Temperature Guidelines for Outdoor Recesses

As a general guideline, we will keep students indoors when the temperature [including wind chill] drops below -20 Celsius. Elementary students will have use of the gym during morning and afternoon recesses, and secondary students will use the gym at noon. When elementary students are not in the gym, they will be in supervised classrooms. Please ensure your students are getting on the bus with clothes suitable for the weather, including winter footwear, gloves, and toque/head wear. Snow pants and extra socks in the backpack are always handy!
